

# St. Joseph Centennial Courtyard Memorial Pavers

Dear Parishioners,

Our parish has a very proud heritage and many people have contributed to such a rich tradition.

Our Centennial Courtyard, which is located between the church and school, provides you an opportunity to leave a lasting impression with our Brick Paver program.

Honor or memorialize a loved one, convey a message of hope or inspiration, share a verse of Scripture, inscribe your family name (or names of family members), or recall a significant event or milestone in our Centennial Courtyard. A few examples are listed below as well as possible dimensions and price details. An order form is below on the next page. Please consider adding your personalized paver today.

Pavers will not be made and placed until we have a sufficient number of orders to process. The Parish Office will keep you informed of the status of your paver order and installation.

**12" x 12"      \$225.00 each      6 lines max (18 letters/spaces per line)**
